

Terms of Service

1. These terms and conditions ("Terms and Conditions") govern transactions involving the aviation related services ("Services") that EVO Fuels LLC., A Delaware Company ("Company" or "Seller") performs or arranges for user (hereinafter referred to as "Client," "Customer," "Buyer" or "Operator"), from time to time, at the request of the Client. These Terms and Conditions are updated periodically by Company and current versions supersede any and all prior terms and conditions promulgated by Company. Terms and Conditions may be modified at any time solely by Company, and shall automatically become effective upon posting to the Website (as defined below). If there is a signed Service Agreement by and between the parties, the Signed Agreement terms shall rule over these Terms of Service in the event of a conflict.
2. In order to provide the Services, Company may use from time to time information, data or technology provided or licensed to Company by third parties. Such third parties shall be third party beneficiaries of all rights of Company and of all duties owed by the Client to Company.
3. Each request for Services made by an air crew member, or an aviation department representative of Client who contacts Company to arrange for the procurement of Services, represents a commitment by Client to pay for Services received at Company's then current Price List. A request for Services may be oral or written and may be transmitted in any media. Company's record of requests for and provision of Services will be presumed correct.
4. Unless otherwise agreed to in writing by the Parties, payment is due within fifteen (15) days after receipt of electronic invoice. Amounts equal to any and all applicable taxes, however designated, incurred as a result of or otherwise in connection with Services will be added to any charges payable by Client. A service fee equal to two (2%) percent per month will be charged for any invoices past due or at such lesser rate as may be required by law. Unless disputed in writing by Customer within 10 days of invoice receipt, invoices shall be considered correct and accepted by Customer. Queries regarding charges for services or goods provided by 3rd parties will be sent to the 3rd party in question for more details. If Company has paid the 3rd party prior to notification by Customer of disputed charge, Customer is responsible to pay Company for entire amount, subject to a credit or refund by Company once 3rd party refunds charges. No disputes of 3rd party charges shall relieve Customer of its obligation to pay undisputed portions of any invoice on time.
5. Client consents to the Company arranging the provision of any of the Services directly to the client by third-party Suppliers ("Suppliers") or by entities under common control with Company ("Affiliates"). Company shall not be responsible for the performance of Services delegated to Suppliers or Affiliates.
6. The operation of aircraft switches, valves and fuel quantity indicators is the responsibility of the Client. If the Client requests that a Supplier operate these controls, then the indemnity below shall apply.

7. The Client is liable for and shall indemnify Company and its respective employees and agents from and against all actions, causes of action, claims, demands, losses, costs, damages, liabilities and expenses which they or any of them suffer or incur resulting from personal injury, including fatal injury or disease to, or loss of or damage to the property of any person whatsoever (including the parties hereto) arising out of or in connection with the refueling operations described above. The Client shall further indemnify the Supplier and its respective employees and agents from and against all actions, causes of action, claims, demands, losses, costs, damages, liabilities and expenses which they or any of them suffer or incur resulting from personal injury, including fatal injury or disease to, or loss of or damage to the property of any person whatsoever (including the parties hereto) arising out of or in connection with the refueling operations described above, unless caused by the gross negligence of the Supplier.

8. Company's sole and exclusive standard of performance for Services shall be a good faith undertaking, on a commercially reasonable basis, to arrange for the requested Services. THE PRECEDING IS COMPANY'S ONLY WARRANTY CONCERNING THE SERVICES AND ANY RESULTS OR WORK PRODUCT, AND IS MADE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES. IN JURISDICTIONS THAT DO NOT RECOGNIZE A DISCLAIMER OF LIABILITY FOR DAMAGES, CLIENT AGREES THAT COMPANY'S LIABILITY UNDER CLAIMS ARISING FROM SERVICES SHALL BE LIMITED TO THE AMOUNT PAID BY CLIENT FOR THE SERVICES GIVING RISE TO THE CLAIM OR THE DAMAGING INCIDENT.

9. The remedies of these Terms and Conditions are the sole and exclusive remedies of Client to any claims arising out of causes of action related to the Services.

10. Client's exclusive remedy for any claim arising out of Services shall be for Company, upon receipt of written notice, to use commercially reasonable efforts to cure the breach at its expense or, at Company's election, return of fees paid to Company for the work related to the breach.

11. The foregoing shall not limit Client's payment obligations for Services rendered. These allocations of liability represent the agreed and bargained-for understanding of the parties and Company's compensation for the Services reflects these allocations.

12. Company, Affiliates and Suppliers shall never be liable for any delays or failures in performance due to circumstances beyond their control.

13. The failure of Company or Client to insist upon strict performance of any provision of these Terms and Conditions shall not constitute a waiver of, or estoppel against asserting, the right to require performance in the future. A waiver or estoppel in any one instance shall not constitute a waiver or estoppel with respect to a later breach.

14. In the event that there shall be any dispute arising out of or in any way relating to Services, Company and Client agree to first use their reasonable best efforts to resolve such dispute among themselves, with or without mediation. If Company and Client are unable to resolve such dispute among themselves,

such dispute shall be submitted to binding arbitration as follows: (a) if the Client is domiciled within North America or South America, then in Wilmington, Delaware; and (b) if the Client is domiciled outside of North America or South America, then in the country and city of Company's choice. Arbitration will be under the auspices of, and pursuant to the rules of, the American Arbitration Association's Commercial Arbitration Rules as then in effect, or such other procedures as the parties may agree to at the time, before a tribunal of a single. Any award issued as a result of such arbitration shall be final and binding between the parties, and shall be enforceable by any court having jurisdiction over the party against whom enforcement is sought. A ruling by the arbitrator shall be non appealable. The parties agree to abide by and perform any award rendered by the arbitrator. If either Client or Company seeks enforcement of the terms of these Terms and Conditions or seeks enforcement of any award rendered by the arbitrator, then the prevailing party (designated by the arbitrators) to such proceeding(s) shall be entitled to recover its costs and expenses from the non prevailing party, in addition to any other relief to which it may be entitled. Either Client or Company may cause an arbitration proceeding to commence by giving the other party notice in writing of such arbitration. Client and Company covenant and agree to act as expeditiously as practicable in order to resolve all disputes by arbitration. The arbitration proceeding shall be held in English.

15. If any of these Terms and Conditions is held by any court of competent jurisdiction to contravene, or to be invalid under, the laws of any political body having jurisdiction over this subject matter, that contravention or invalidity shall not invalidate the entire Agreement. Instead, these Terms and Conditions shall be construed as reformed to the extent necessary to render valid the particular provision or provisions held to be invalid, consistent with the original intent of that provision and the rights and obligations of the parties shall be construed and enforced accordingly, and these Terms and Conditions shall remain in full force and effect as reformed.

16. THESE TERMS AND CONDITIONS SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF DELAWARE. THE CLIENT IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE DELAWARE AND ITS COURTS. CLIENT WAIVES IMMUNITY WITH RESPECT TO PROCEEDINGS TAKEN BY COMPANY TO ENFORCE THESE TERMS AND CONDITIONS AND TO ENFORCE ANY JUDGMENT OBTAINED IN CONNECTION WITH THESE TERMS AND CONDITIONS, IN ANY JURISDICTION.

17. Client agrees that Company does not have control over the submission of invoices by Suppliers. Consequently, all Services incurred by Client are the sole responsibility of Client irrespective of the time elapsed between delivery of those Services and request for payment by Suppliers for Services.

18. Company maintains tax compliance by paying all applicable Federal, State, Municipal, City, Excise, Mineral Oil and any other taxes directly to the Company's 3rd Party suppliers (oil companies). Company does not claim any exemptions from tax to its suppliers. Buyer assumes sole responsibility for obtaining tax offsets and refunds directly from various tax authorities by using Seller's fuel invoices.

19. The Client releases and covenants not to sue Company and will, at its own expense, defend any action and hold Company harmless from and against all claims, liabilities, losses, expenses, fees and

damages arising from actions, or inactions, of the Client involving Services and from any loss of or damages to property, or injury to any person arising out of the performance of the Services unless solely caused by the gross negligence or willful misconduct of Company, its officers, servants and employees.

20. Client represents and warrants that Client carries aircraft liability insurance covering bodily injury to passengers. To the extent of the Client's agreement to indemnify and hold harmless Company hereunder, the Client agrees that all liabilities arising out of the Services shall be insured by Client.

21. Fuel services and technical services are provided by local suppliers/vendors. Seller, as company facilitating fueling and credit, coordinates the services of these suppliers on behalf of Buyer, but does not itself perform such services related to the technical services, delivery and refueling of aircraft. All fuel deliveries are made by 3rd party suppliers/vendors directly to Buyer's aircraft. Title to fuel passes directly from Seller's supplier/vendor to the Buyer's aircraft, while Buyer holds financial responsibility for payment for fuel to Seller (as fuel and payment facilitator). Seller has absolutely no responsibility or liability with respect to any fuel transaction other than financial obligation to pay its suppliers and Seller never takes title of fuel delivered into plane(s) of Buyer. The Seller's local 3rd party supplier shall provide the Buyer at the time of delivery with a copy of a signed delivery receipt specifying the grade and quantity of the aviation fuel delivered. Title to and risk in aviation fuel products shall pass from the 3rd party supplier to the Buyer's aircraft when the product passes the inlet coupling of the receiving aircraft. The operation of aircraft switches, valves and fuel quantity indicators is the responsibility of the Buyer as aircraft operator. The Services and deliverables provided by Company are limited to the sole and exclusive internal use of Client. Client may not in any manner, transfer, resell or disclose any deliverables, in any form whatsoever, prepared or provided by Company, nor allow any third party to access or to use any deliverables of Services.

22. No proceeding or suit may be brought against Company upon any claim of the Client for Services unless written notice of the claim has been delivered to Company within ninety (90) days of the date of the occurrence giving rise to the claim. No action may be instituted against Company within a period of six (6) months in length after presentation of the claim or after a period ending two (2) years after the date of the presentation of the claim.

23. Client shall not, directly or indirectly, export, release or disclose any information, data, materials or technology deliverables of the Services to any third party outside of the United States without first ensuring that such export or release does not violate the United States export control laws and regulations, and without first obtaining from the United States Department of Commerce the requisite authority, if necessary, to effect such export or release.

24. Customer assumes sole responsibility for the results, use and consequences of any computer software (object code or source code), databases, documentation, inventions, analyses, studies, recommendations, reports, plans, results, data compilations and other media, materials, objects, information and intellectual property produced as a result of the Services provided and/or delivered by

Company, its employees, agents and subcontractors, in the course of providing the Services , including without limitation the use of any data link, planning, analytical or predictive tool ("Work Product"). Unless otherwise expressly provided in a separate written Statement of Work executed by both the Company and Client, all Work Product shall be the exclusive property of Company and shall not be deemed a "work made for hire" within the meaning of the copyright laws of the United States and any similar laws of other jurisdictions. Company hereby grants to Client a limited, personal, non-transferable and non-exclusive license to access and use the Work Product for Client's internal purposes. The foregoing license shall automatically terminate upon the termination or expiration of all of Company's granted rights in the Work Product.

25. The information, data, text, software (object code and source code), video, messages or other material presented to Client ("Content") on the website hosted at www.evofuels.com ("Website"), and any affiliated websites or apps that may be contained therein, are copyrighted under various law and may not be used without the written permission of Company. 26. Client is prohibited from using the Website to gain unauthorized access, directly or indirectly, to Company's computer systems or a third party's computer systems. Client shall not interfere with another user's use or enjoyment of the Website. Company reserves the right, in its sole discretion, to take action that it deems appropriate for violations of this Agreement. To the extent required to do so by law, Company will fully cooperate with any law enforcement authorities or court order requesting or directing Company to disclose information regarding users of the Website. Access to the password-protected areas of the Website is strictly limited. Company is not obligated to inquire as to the authority or propriety of any use of or action taken under Client's user account, and Company is not responsible for any loss to Client that arises from such use or action. Client shall notify Company immediately of any actual or suspected loss, theft or unauthorized use of Client's password. The Website is controlled and operated by Company from its offices. Company makes no representation that the Content is appropriate or available for use in other locations and other countries. Those who choose to access the Website from other locations or other countries do so on their own initiative and are responsible for compliance with local laws in that territory, if and to the extent that local laws are applicable. Company may terminate Client's user account and other use of the Website when Client is no longer a customer, or after Client is in default of payment to Company. Company shall not be liable to Client, or any third-party, for any termination or suspension of Client's access to the Website. Client understands that if Client is dissatisfied with the Website or the Content, Client's sole and exclusive remedy is to discontinue using the Website, and receive a pro-rata refund of any pre-paid amounts that Client has paid to access the Website.

29. Client agrees to indemnify and release Company and its affiliates from and against any and all liabilities, expenses (including attorney's fees) and damages arising out of claims resulting from Client's use of the Content, including, without limitation, any claims that if the allegations were true would constitute a breach of this Agreement.

30. For the duration of an Agreement by and between Company and Customer, Customer shall maintain insurance that covers their flight operations, including, without limitation aircraft hull and liability insurance covering bodily injury to passengers and other persons, and property damage. Company shall

be entitled to the benefit of such insurance to satisfy Customer's indemnification obligations to Company. Customer waives subrogation rights as far as permitted by insurance policy.

31. NEITHER COMPANY, NOR ANY OF ITS SUBSIDIARIES, NOR ANY PROVIDERS OF WEATHER SERVICES OR FLIGHT PLANS SHALL BE LIABLE FOR ERRORS, DELAYS, OR INTERRUPTIONS IN PROVIDING SUCH SERVICES, ERRORS IN JUDGMENT, OR ANY OF THEIR OWN ACTS OR OMISSIONS, INCLUDING THEIR OWN NEGLIGENT ACTS OR OMISSIONS.
